STATEMENT REGARDING FORWARD-LOOKING STATEMENTS

This prospectus and the documents incorporated by reference contain "forward-looking" statements, within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934, that are based on current expectations, estimates and projections. Statements that are not historical facts, including statements about our beliefs and expectations, are forward-looking statements. These statements contain potential risks and uncertainties and, therefore, actual results may differ materially. We undertake no obligation to update publicly any forward-looking statements, whether as a result of new information, future events or otherwise.

Important factors that may affect these projections or expectations include, but are not limited to, those associated with the effect of national and regional economic conditions, the ability of the Company to attract new clients and retain existing clients, the financial success of clients of the Company and other developments of clients of the Company.

In addition, the advertising and marketing communications businesses is subject to government regulation, both domestic and foreign. There has been an increasing tendency in the United States on the part of advertisers to resort to the courts, industry and self-regulatory bodies to challenge comparative advertising on the grounds that the advertising is false and deceptive. Through the years, there has been a continuing expansion of specific rules, prohibitions, media restrictions, labeling disclosures and warning requirements with respect to advertising for certain products. Representatives within various government bodies continue to initiate proposals to ban the advertising of specific products and to impose taxes on or deny deductions for advertising which, if successful, may have an adverse effect on advertising expenditures. In some areas, the international operations of the Company still remain exposed to certain risks which affect foreign operations of all kinds, such as local legislation, monetary devaluation, exchange control restrictions and unstable political conditions.

Another important factor is Interpublic's acquisition strategy. One of Interpublic's business strategies is to acquire businesses that complement and expand its current business capabilities. Accordingly, Interpublic is usually engaged in evaluating potential acquisition candidates. Interpublic is currently engaged in a number of preliminary discussions that may result in one or more substantial acquisitions. These acquisition opportunities require confidentiality and from time to time give rise to bidding scenarios that require quick responses by Interpublic. Although there is uncertainty that any of these discussions will result in definitive agreements of the completion of any transactions, the announcement of any such transaction may lead to increased volatility in the trading price of shares of Interpublic.

Moreover, the success of recent or contemplated future acquisitions will depend on the effective intergration of newly acquired businesses into Interpublic's current activities. Important factors for integration include realization of anticipated synergies and the ability to retain new personnel and clients.

Investors should evaluate any statements in light of these important factors.

THE COMPANY

Our primary businesses are the advertising agency business and related marketing and communications services. We conduct this business globally, using two advertising agency systems noted below, plus a number of stand-alone local agencies:

- o McCann-Erickson WorldGroup
- o Lowe Lintas & Partners Worldwide.

The principal functions of our advertising agencies are to plan and create programs for their clients and to place advertising in various media such as television, cinema, radio, magazines, newspapers, direct mail, outdoor and interactive electronic media. Our advertising agencies develop a communications strategy and then create an advertising program, within the limits imposed by the client's advertising budget, and place orders for space or time with media that have been selected. Planning advertising programs involves:

- o analyzing the market for the particular product or service
- o creating the appropriate advertising campaign to convey the

agreed-upon benefit or message

- o choosing the appropriate media to reach the desired market most efficiently.

We conduct other businesses closely related to our advertising business, in part through our ownership of companies as noted below:

- o independent media buying through Initiative Media Worldwide and its affiliates
- o direct and promotional marketing through Draft Worldwide
- o marketing research through NFO Worldwide
- o global public relations through Weber Shandwick Worldwide and Golin/Haris International
- o internet and e-business consultancy through Zentropy Partners
- o multinational sports and event marketing through Octagon
- o sales meetings and targeted events through Jack Morton Worldwide.

We also conduct related activities in other areas of marketing communications that include:

- o brand equity and corporate identity services
- o graphic design and interactive services
- o management consulting and market research
- o healthcare marketing
- o sales promotion
- o internet services
- o multicultural advertising and promotion
- o other related specialized marketing and communications services.

Our principal executive offices are located at 1271 Avenue of the Americas, New York, New York 10020 (telephone:(212) 399-8000).

SELLING STOCKHOLDERS

The following table sets forth certain information with respect to the selling stockholders, including:

- o the name of each selling stockholder
- o the number of shares of common stock beneficially owned by such selling stockholder prior to the offering
- o the maximum number of shares of such common stock to be offered by such selling stockholder hereby
- o the number of shares of common stock to be beneficially owned by such selling stockholder assuming all of the shares of such selling stockholder covered by this prospectus are distributed in the offering

No selling stockholder beneficially owns one percent (1%) or more of Interpublic's issued and outstanding common stock, except for Donald Deutsch who prior to the offering beneficially owns approximately 1.6% of Interpublic's issued and outstanding common stock.

Each selling stockholder is a former equity or phantom equity holder of a company acquired by Interpublic or the assignee of such a person. Each selling stockholder has been and, as of the date of this prospectus, is an employee of a company acquired by Interpublic.

Because the selling stockholders may offer all, a portion or none of the common stock offered pursuant to this prospectus, no estimate can be given as to the number of shares of common stock that will be held by the selling stockholders upon termination of the offering. See "Plan of Distribution."

PLAN OF DISTRIBUTION

Interpublic has not been advised by the selling stockholders as to any plan of distribution. Distribution of the common stock by the selling

stockholders, or by pledgees, hedging or derivative transaction counterparties, donees (including charitable organizations), transferees or other successors in interest, may be effected from time to time in one or more transactions (which may involve block transactions):

- o on the New York Stock Exchange in transactions that may include special offerings and exchange distributions pursuant to and in accordance with the rules of such exchange,
- o in the over-the-counter market,
- o in transactions otherwise than on such exchange or in the over-the-counter market, including "block trades" and direct transactions between the sellers and the purchasers without a broker-dealer,
- o in an underwritten transaction, if jointly elected by Interpublic and selling stockholders holding a majority of the common stock being offered hereby, or
- o in a combination of any such transactions.

Such transactions may be effected by the selling stockholders at market prices prevailing at the time of sale, at prices related to such prevailing market prices, at negotiated prices or at fixed prices. The selling stockholders may effect such transactions by selling the common stock to or through underwriters, market makers or broker-dealers, and such underwriters, market makers or broker-dealers may receive compensation in the form of discounts or commissions from the selling stockholders and may receive commissions from the purchasers of the common stock for whom they may act as agent. The selling stockholders may agree to indemnify any underwriters, broker-dealer or agent that participates in transactions involving sales of the common stock against certain liabilities, including liabilities arising under the Securities Act.

In connection with distributions of the common stock or otherwise, the selling stockholders may enter into hedging transactions with broker-dealers. In connection with such transactions, broker-dealers may engage in short sales of the common stock in the course of hedging the positions they assume with selling stockholders. The selling stockholders may also sell common stock short and redeliver the common stock to close out such short positions. The selling stockholders may also enter into option or other transactions with a broker-dealer that require the delivery to the broker-dealer of the common stock, which the broker-dealer may resell or otherwise transfer pursuant to this prospectus. The selling stockholders may also loan or pledge common stock to a broker-dealer and the broker-dealer may effect sales of the pledged common stock pursuant to this prospectus.

We have agreed to bear certain expenses (excluding any underwriting fees, expenses, discounts or other costs payable to any underwriter, broker or dealer and fees and expenses of counsel to the selling stockholders) in connection with the registration and sale of the common stock being offered by the selling stockholders, estimated to be approximately \$136,962. We have agreed to indemnify the selling stockholders and their brokers or dealers or selling agents identified in writing to Interpublic against certain liabilities, including certain liabilities under the Securities Act.

The selling stockholders and any broker-dealers or agents that participate with the selling stockholders in the distribution of the common stock may be deemed to be "underwriters" within the meaning of the Securities Act, and any commissions received by them and any profit on the resale of any common stock purchased by them may be deemed to be underwriting commissions or discounts under the Securities Act.

LEGAL MATTERS

The validity of the common stock being offered hereby will be passed upon for Interpublic by Nicholas J. Camera, Esq., Senior Vice President, General Counsel and Secretary of Interpublic.

ITEM 15. INDEMNIFICATION OF DIRECTORS AND OFFICERS.

Section 145 of Title 8 of the General Corporation Law of the State of Delaware ("GCL") gives a corporation power to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation) by reason of the fact that such person is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by him in connection with such action, suit or proceeding, provided that such director, officer, employee or agent acted in good faith and in a manner reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, provided that such director, officer, employee or agent had no reasonable cause to believe his or her conduct was unlawful. The same Section also gives a corporation power to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the corporation to procure a judgment in its favor by reason of the fact that such person is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against expenses (including attorneys' fees) actually and reasonably incurred by such person in connection with the defense or settlement of such action or suit if he acted in good faith and in a manner reasonably believed to be in or not opposed to the best interests of the corporation, except that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to the corporation, unless and only to the extent that the Court of Chancery or the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the Court of Chancery or such other court shall deem proper. Section 145 of the GCL further provides that, to the extent that a director, officer, employee or agent of a corporation has been successful on the merits or otherwise in defense of any such action, suit or proceeding, or in defense of any claim, issue or matter therein, he or she shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by him or her in connection therewith.

The Company's by-laws contain specific authority for indemnification by the Company of current and former directors, officers, employees or agents of the Company on terms that have been derived from Section 145 of Title 8 of the GCL.

The Company maintains policies of insurance under which the Company and its directors and officers are insured, subject to specified exclusions and deductible and maximum amounts, against loss arising from any claim which may be made against the Company or any director or officer of the Company by reason of any breach of duty, neglect, error, misstatement, omission or act done or alleged to have been done while acting in their respective capacities.

ITEM 17. UNDERTAKINGS.

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made of the securities registered hereby, a post-effective amendment to this registration statement;

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in this registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in this registration statement or any material change to such information in this registration statement;

provided, however, that the undertakings set forth in paragraphs (i) and (ii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in this registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.

(d) The undersigned registrant hereby undertakes that:

(1) For purposes of determining any liability under the Securities Act of 1933, the information omitted from the form of prospectus filed as part of this registration statement in reliance upon Rule 430A and contained in a form of prospectus filed by the registrant pursuant to Rule 424(b)(1) or (4) or 497(h) under the Securities Act of 1933 shall be deemed to be part of this registration statement as of the time it was effective.

(2) For the purpose of determining any liability under the Securities Act of 1933, each post-effective amendment that contains a form of prospectus shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be initial bona fide offering thereof.

Re: The Interpublic Group of Companies, Inc.,
Registration Statement on Form S-3

Ladies and Gentlemen:

I am General Counsel of The Interpublic Group of Companies, Inc., a Delaware corporation (the "Corporation"), and have acted as such in connection with the preparation and filing with the Securities and Exchange Commission (the "Commission") under the Securities Act of 1933, as amended (the "Act"), of the above-captioned Registration Statement on Form S-3 (the "Registration Statement"), relating to the registration of 5,298,795 shares of the Corporation's Common Stock, \$.10 par value (the "Shares").

In arriving at the opinions expressed below, I have examined and relied on the originals or copies certified or otherwise identified to my satisfaction of all such corporate records of the Corporation and such other instruments and other certificates of public officials, officers and representatives of the Corporation and such other persons, and I have made such investigation of law, as I have deemed appropriate as a basis for the opinions expressed below. In rendering the opinions expressed below, I have assumed and have not verified that the signatures on all documents that I have examined are genuine.

Based on the foregoing, it is my opinion that:

1. The Corporation is validly existing as a corporation in good standing under the laws of the State of Delaware.
2. The Shares have been duly authorized by all necessary corporate action of the Corporation, and are legally issued, fully paid and non-assessable.

Insofar as the foregoing opinions relate to the validity, binding effect or enforceability of any agreement or obligation of the Company, (a) I have assumed that each other party to such agreement or obligation has satisfied those legal requirements that are applicable and it to the extent necessary to make such agreement or obligation enforceable against it, and (b) such opinions are subject to applicable bankruptcy, insolvency and similar laws affecting creditors' rights generally and to general principles of equity.

I hereby consent to the filing of this opinion as an exhibit to the Registration Statement and to the reference to my name in the Registration Statement and the related Prospectus under the caption "Legal Matters." By giving such consent, I do not admit that I am an "expert" within the meaning of the Act or the rules and regulations of the Commission issued thereunder with respect to any part of the Registration Statement, including this exhibit.

Very truly yours,

/s/ Nicholas J. Camera
